PAULS STORY- METICULOUSLY RESEARCHED, MASTERFULLY REVEALED

A respected leader, a murderer, a convict, and a revolutionary, the apostle Paul helped transform the world. Yet few know what his life was really like. Premier biographer John Pollock masterfully weaves Paul's dramatic, real-life tale: into a novel-like read while maintaining the scrupulous scholarship he is known for. He meticulously blends research with captivating storytelling to show the whole picture of the famed apostle.

Join Paul's journey from his conversion after the stoning of Stephen through his missionary years to his death. The imprisonments, the souls saved, the shipwrecks, the miracles, and the impact of Paul's earnest faith all come powerfully to life. Through fast-paced narrative, vivid descriptions, and almost constant drama, the truth about Paul and the world he lived in is revealed like never before. Walk through history, discover the power of one person's conviction, and find your own understanding of this controversial figure forever changed.
